What is Title I?

Stark Elementary is identified as a Title I school as part of the “Every Student Succeeds Act” (also known as ESSA).

Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students.

Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Stark Elementary School will provide opportunities to improve family engagement to support student learning. Stark Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Stark Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Stark Elementary School invites all parents to join the school council and/or complete the annual survey that is sent home to review and revise this Parent and Family Engagement Policy, as well as our Parent-School Compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year by contacting Julie Castellanos-Akins, the Parent and Family Engagement Coordinator. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. If the school-level Parent Engagement Coordinator receives comments from parents advising the plan is unsatisfactory, the district-level Parent Engagement Coordinator will be notified immediately.

Who is it for?

Stark Elementary is a school-wide Title 1 school. All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Stark will provide full opportunity for the participation of parents and family members with limited English, with disabilities and of migratory children.

Where is it available?

At the beginning of the year, the plan is sent home with students via the weekly communication folder once it has been revised. The plan will also be posted on the school’s website and/or parents can retrieve a copy of the plan in the front office.
