

Parent Tips

★ March 2023

★ Reading

Spring is a great time to take reading outside and enjoy a good book!

★ Writing

Spring Writing Prompts

- Make a list of things you can do in the spring
- What would happen if we didn't have spring?
- What is your favorite thing about spring?

★ Speech & Language

Playing games at home as a family is a great way to work on speech and language skills. It encourages communication and turn taking skills.

★ Math

As it gets warmer you can encourage math at home by incorporating outside activities,

- Solve math problems with chalk
- count the flowers growing in the grass
- plan an outdoor party
