**No Appointment Needed!
Walk-ins Welcome!**

We provide all required immunizations with Form 3231 and offer vision, hearing, dental, and nutrition screenings with Form 3300.

A PARENT OR GUARDIAN MUST ACCOMPANY A CHILD DURING A VISIT.

To ensure we have a complete record of your child's immunizations, please bring their shot record if they were born outside of Georgia or if this is their first visit with us.

Fees for immunizations and health screenings are discounted for children without health insurance. Most insurance plans and Medicaid cover these services, and we accept a variety of insurance plans. Payments can be made with cash, Mastercard, or Visa. For more information, please call (800) 847-4262.
