EXTRA MILE AWARD

Congratulations to JHS's Mr. Perez for being the Extra Mile Award winner for November. Mr. Perez has been the driving force in Hispanic Heritage month celebrations and the cultural activities surrounding Dia de los Muertos (for Spanish class) and La Toussaint (for French class). He has gone above and beyond in decorating JHS to share the cultural heritage of the spanish speaking world. The foreign language hallway is alive with colors, decorations, and cultural products, sparking interest from our entire student body. Mr. Perez is a vital component in our department's curricular planning. His knowledge of both French and Spanish allows him to be the link between the two language courses, aligning practices across the department to ensure equity and parity. We are truly grateful for him as a critical component in our department's success.

RED REGIMENT BAND

The Red Regiment has had another great season. They have earned straight superiors in all categories at all three of their competitions. In class AAA, they finished in the top four in every category at all three competitions. At their final competition, the North Georgia Marching Championships, they finished 2nd in their class during the preliminary round. In the finals, they finished 4th out of the 13 bands in finals with a score of 94.55. This is the highest score that JHS has earned in the 7 years that Mr. Emerson has been at Jackson. We scored higher than several of the bigger bands including bands from Gwinnett and Cherokee Counties.
