

BUTTS COUNTY SCHOOL SYSTEM

Literacy Parent Education

Dear Butts County Family,

The Butts County Literacy Parent Educators wish to support literacy in our community. They are seeking families who have children ages birth to five. They will help families develop personal literacy goals, provide resources and support, and help ensure a successful transition to preschool and kindergarten. Either Mrs. Elizabeth Smith or Mrs. Tracie Brannan, the Literacy Parent Educators, will contact you to discuss an opportunity for participation and answer any questions you may have.

Thank you,

ELIZABETH SMITH

Early Literacy Parent Educator
