1. Parents will provide a safe, clean, & dry place for students to use & store the Chromebook at home.
2. Students will keep their Chromebook clean. No attached stickers or other items that might deface or damage the Chromebook finish, screen, or other components.
3. No attempts will be made to modify, reconfigure, take apart, or repair the Chromebook.
4. Students will use their Chromebook for academic purposes only.
5. Students will only use BCSS-Chrome student wireless network connections at school and will not connect to any cellular network or non-district wireless access point while at school.
6. In the event of loss or intentional damage either to the device or an accessory, parents may be billed for the actual cost of repair up to the full replacement cost of the Chromebook (not to exceed **\$400**). If record shows that you purchased an ADP fee from 3rd-5th, 6th-8th and 9th-12th within that last three years, or 4 years for the high school, you will be covered on each Elementary, Middle and High School term. Going forward, new students and existing students who did not pay their ADP fee within the last year from 3rd-12th will be assessed an annual \$25 ADP fee.
7. If your child's Chromebook is lost, stolen, or damaged, please notify your teacher at your earliest opportunity.
8. The Chromebook is monitored and can be examined at any time by BCSS.
9. By filling out the [google form](#), my child and I agree to abide by the BCSS Chromebook Loaner Agreement and I assume financial responsibility for the Chromebook for the duration of the time I have possession of the device.
10. I also understand that the Butts County School System will attempt to restrict all controversial or inappropriate materials and I am responsible for monitoring appropriate use of the Chromebook while at home.
