## 2021 Girls Basketball Region Champions!

## **Boys Basketball MGMSAL Region Runner-Up**

The HMS Boys Basketball team had a much improved season that ended with a 6-2 record and earning the second seed in the MGMSAL tournament. Unfortunately due to Covid-19 the boys had to be quarantined prior to the tournament beginning. The boys were defeated in their last game by Upson Lee in Thomaston and later were notified of a positive case. The league decided that due to the quarantine of 3 teams in the tournament that the season would end with the seeding of the tournament. Upson Lee would be the Region Champion and Henderson would be the Region Runner-Up. Bitter sweet ending for the boys but a much improved season compared to last year. Congratulations Tigers! ## Cheer

### HMS Cheerleaders

Due to Covid-19, the cheerleaders had quite an eventful season when football first started. Once basketball season rolled around and things began to open up a little more our season was in full swing. The girls have had the opportunity to build lasting friendships and truly pulled together as a squad. The icing on the cake was being able to close out our season cheering on our Lady Tigers to a Championship victory. Go Tigers!
