

Employability Skills: **Video Resume Assessment**

Standard 1 Demonstrate employability skills required by business and industry.

Task: You will create an approximately 1 minute video resume in which you “sell” your personal soft skills to a potential employer. How do you exhibit each of these skills?

- * You will demonstrate critical thinking to plan and complete this task.
- * You will not be graded for your video editing/filming skills

This video provides some ideas:

If you search “Video Resume” in Youtube, you will find many examples.

Be sure that:

- You include all employability skills
- You plan before you film
- Your video is AT LEAST 30 seconds
- You speak clearly
- Your background and attire are appropriate for interviewing
- You have someone proof your video before you submit it
- You email your completed video to your teacher OR upload it to the assignment in Google Classroom.
