### EXTRA MILE AWARD

Congratulations to BCSS Payroll Specialist Janet Dahlin on being the Extra Mile Award winner for January. We would be lost at Central Office without Janet. Not only does she complete payroll tasks, Janet takes time to get to know all employees. It is unusual to come across a person she doesn't recognize! Janet makes sure each employee feels welcome and like a member of the family. Her memory is impeccable and her organization is top notch! If you have a question, Janet knows the answer! And, on the off-chance she doesn't know the answer, she provides suggestions on who may be able to help. Her priority is taking care of employees to the best of her ability. She goes above and beyond to make sure that all tasks are completed and everyone is treated fairly and like family. Janet is an asset to the Human Resources department and Butts County School System and we are so lucky to have her!
