### EXTRA MILE AWARD

Congratulations to the Extra Mile Award winner for March, Jackson High School NJROTC instructor, Chief Williams. Chief Williams goes above and beyond for the students in JROTC at JHS. Placement of one of his students was being reconsidered and the student was possibly going to be returning to school in another county. Chief Williams, who is always supportive of students, offered for the student to wear his uniform one day a week and he would drive to the location of the school (in another county) to inspect his uniform and keep him in the program until the student was able to return in four weeks. Chief Williams has been key to this student's transition back to Jackson High School. He sees the best in students and was recognized for the role he plays in the lives of young men and women every day.

### JHS HEAD COACH

The Butts County School System welcomes Coach Christopher Henderson as the new Jackson High School Head Football Coach. Christopher Henderson returns to Jackson after three years as Defensive Coordinator at Spalding High in Griffin, Georgia where he led the "Dirty Blue" defense and also won the Parker Resources Defensive Coordinator of the Year in 2022. "We are blessed to have Mr. Henderson join us and look forward to all the success and value he will add to our team and our school."
