### EXTRA MILE AWARD

Congratulations to our Extra Mile Award Winner for November, Jackson Elementary School special education teacher, Mrs. Becky Irvin. Mrs. Irvin has extended herself to ensure that our exceptional student population is fully supported and thrives. Mrs. Irvin has taken on supporting students with behavior challenges and has been a catalyst for teaching replacement behaviors that have allowed students to be successful beyond the special education classroom. When her team infrastructure changed, she volunteered her expertise to fill in the gaps so that students and the team continued to thrive. She has unselfishly given her time and talents to support the special education department at JES.
