

5th Grade Virtual Classroom Management Plan 2020-2021

	Live Lessons, Meetings, or Conferences	Completing & Turning Virtual Assignments
Positive Attitude	Arrive in the google meets on time with a smiling face ready to learn!	Complete to the best of your abilities! Be an active learner. Ask questions if you do not understand.
Always Respectful	Keep your chrome book on mute, unless instructed otherwise by the teacher! Allow students to finish their thoughts when in conversation. Be attentive to peer's questions. Raise your hand if you need to ask a question or respond to a peer's question. Remember in a google meeting, be attentive to the teacher's instructions for modified hand raising. Your teacher may instruct you to comment in the box a ? to signal raising your hand.	If you are working with a partner, work respectfully together. Complete all work honestly and to your best abilities.

<p>Work Responsibly</p>	<p>Have a designated work space that is quiet and has minimal distractions.</p> <p>Have pencil, paper, or notebook ready to take notes or practice the work being discussed. Ensure you are taking notes, if the teacher writes it on the board, you should write it in your notebook.</p> <p>Ensure your technical device is charged or is plugged into the charger.</p> <p>Use chat tool responsibility. Be mindful of what you post in the chat boxes. Just because we aren't AT school doesn't mean we aren't IN school.</p>	<p>Show all of your work.</p> <p>Complete all parts of an assignment.</p> <p>If you are unsure or confused, make a note and be sure to ask during the Live Small Group sessions or send a message in google classroom to your teacher.</p>
<p>Safe & Orderly Environment</p>	<p>Be dressed in an appropriate manner.</p> <p>Ensure your surroundings are not going to be a distraction to others.</p> <p>Go to the bathroom prior to the virtual meetings, lesson, or conference.</p>	<p>Turn in your completed work with your name on the assignment.</p>

	Keep your webcam in one place, refrain from moving your camera all around and walking around with the device.
