### EXTRA MILE AWARD

Congratulations to our Extra Mile Award winners for December - Kevin Smith, Sammy Barber, Paul Pacchioli, and Rocky Lee. They exhibit the true spirit of what Christmas is all about. These guys have been working on refurbishing 6 bicycles in their spare time to give to children this Christmas. They have spent their own money on buying parts to change out/improve the bikes and they look brand new. These guys came up with the idea by themselves and have been working on getting them complete for the last few months. There will be 6 happy children on Christmas Day because of them! We are so proud of this group and the giving spirit they demonstrate.
